**19 – 21 November 2018,
Singapore**

Level 4
Matrix Building, Biopolis
30 Biopolis Street, Singapore 138671

ABOUT THE CONFERENCE

The 7th Asia-Oceania Conference on Green and Sustainable Chemistry (AOC7-GSC) is a biennial conference promoting and advancing green and sustainable chemistry in the Asia-Oceania region. Jointly organised by Institute of Chemical and Engineering Sciences (ICES) and Institute of Materials Research and Engineering (IMRE), Agency for Science, Technology and Research (A*STAR), the conference will be held on 19-21 November 2018 in Singapore, a garden city with a vibrant chemical industry despite limited national resources.

Building upon previous AOC themes, this conference will focus on contemporary Green Technologies, Policy and Research from both an industrial and academic perspective. The Organising Committee will provide an exciting scientific programme with a broad aim to exchange innovative ideas and explore opportunities and mechanisms for collaboration.

On behalf of the Organising Committee, we look forward to your enthusiastic participation to make AOC7-GSC a great event in advancing green and sustainable chemistry.

The seventh edition of AOC-GSC will be held from 19 to 21 November 2018 and will feature an exciting lineup of conference themes on:

- Green & Applied Catalysis
- Sustainable Processes
- Engineering Green Polymers, Materials and Formulations
- Sustainability through Valorisation
- Integrative Initiatives for Green Research

More information on our exciting partnership opportunities for the AOC7-GSC can be found in this prospectus.

For enquiries, please contact Ms. Abby Goh at secretariat@aoc-gsc.org

CONFERENCE INFORMATION

Event Date: 19 – 21 November 2018
Time: 9.00am – 5.30pm daily
Venue: Level 4 Matrix Building @ Biopolis
30 Biopolis Street, Singapore 138671
Expected No.: 200 to 250 participants
Website: www.aoc-gsc.org
